Annotations:

This is a special list as most of the Prussian people came from one particular part of Prussia: the district of Herford. Of the 220 passengers listed, 108 came from this area in Eastern Westphalia. For most of these people additional data is available: birth, marriage, death dates, places of residence etc. Sometimes it is not known where these families settled in the USA and what became of them.

Names underlined mark families. The spelling of some names is corrected. Place names underlined are added to the list. No corrections of the spelling are made to the places of origin and the occupation.
